

FUNDRAISING IDEAS FOR KIDS

What can YOU do to help your Humane Society/SPCA of Sumter County?

Elementary Aged Kids:

Collect aluminum cans, empty ink cartridges & old cell phones-turn them in to us and we'll receive \$\$\$ to help rescue animals. Scouts can earn badges by having pet food drives outside local grocery stores! Have a "Penny Drive" at school!

Tweens and Teens:

Organize school sales, a concert/dance, 5K Run or area car wash, network online, volunteer at our community events (such as a spay/neuter event) or at our office.

We will help you create a great project to earn community service hours and make a big difference to your neighborhood! Call or email us to see what else you can do to save a life! These great kids, ranging from 8-17 y.o. help us in MANY ways - maybe you know them!
